

## DAYS AND TIMES

---

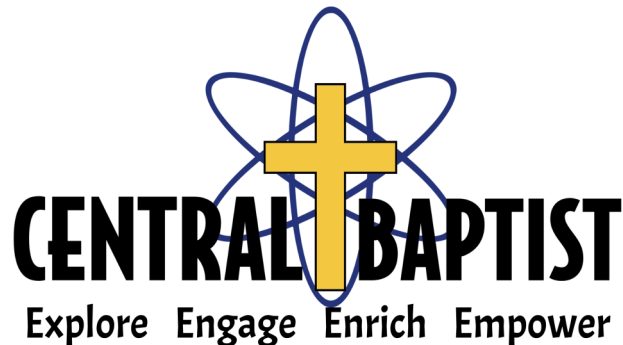

Our program is registered with the State of Tennessee as a Parents Day Out program. We are not licensed as a child-care facility.\* Tennessee State law for PDO programs allows children to be in our care for no more than 2 days per week for 12 hours per week. We offer two, two-day-per-week programs. Your family may choose from either our Monday—Wednesday program **OR** our Tuesday—Thursday program. We cannot allow a mixing or combining of the programs. Children are only permitted to attend on the days they are enrolled. Children may enter their classrooms at 9:00 a.m. and should be picked up promptly by 3:00 p.m.

Our program follows the Oak Ridge public school system for holidays and bad weather days. We are open 51 weeks of the year, only closing the week between Christmas and New Year, and 1/2 week during Thanksgiving.

\*While we are not currently licensed as a child care facility in the state of Tennessee, we operate by the same licensing standards for the care and protection of the children in our care.

More information, including our complete parents handbook and enrollment forms, is available on our website at [orcbc.org](http://orcbc.org).

Dear prospective PDO family,

Thank you for considering our Parents Day Out program to assist you with your childcare needs. We believe our program is about more than just caring for your child while you work, shop, take care of errands, or just have a moment to relax. We operate our program as a social, cognitive, emotional, and spiritual development ministry, focused on helping your child to grow just as Jesus did, in wisdom and in stature, in favor with God and man.

We use a curriculum that is Bible based and includes strategies for your child's individual growth and development. It allows us to incorporate biblical learning and basic academic skills through story time, craft projects, and hands-on playtime.

We look forward to ministering to you, your child, and your family through our PDO program. We consider it a privilege, responsibility, and a blessing to be able to provide this ministry here at Central.

If you have any questions, or would like more information, please contact Kathy Raffety, our program director, at 865-483-7495 or [k.raffety@orcbc.org](mailto:k.raffety@orcbc.org).

I look forward to meeting you soon.

James Raffety  
Senior Pastor
